Abuelo's

Another restaurant we have not visited. During the major 183 freeway re-construction Abuelo's was torn down and rebuilt nearby at it's new location east of the new Hurst City Buildings. They have very good Tex-Mex for us to enjoy.

To get there from the church take Harwood to Precinct Line Rd. Turn left onto Precinct Line Rd. going south toward 183. Get into right lane because you will turn right at the first light which is Thousand Oaks Dr. You will see Abuelo's on the left.

Please call Andy Le Cocq at (817) 268-4128 or email him at [andy@lecocq.org](mailto:andy@lecocq.org) so he can reserve the right size table.

## Church School News

### Church School Class Updates

Participants in the May 13<sup>th</sup> Intergenerational Pentecost session made colorful music shakers which were then used by worshipers at the May 20<sup>th</sup> Pentecost worship service.

The Thoughtful Christian class completed their discussion of the book *Trouble I've Seen: Changing How the Church Views Racism*. Class members plan to participate in the June 23<sup>rd</sup> visit to the Lenora Rolla Heritage Center Museum in Fort Worth that the Social Justice Committee is sponsoring. They are exploring other ideas for action and further learning as a result of this discussion.

During the summer, the Thoughtful Christian class combines with the Youth and Children's classes for Intergenerational sessions twice a month after worship at 11:15 AM. In June, sessions will be held on June 3<sup>rd</sup> and June 17<sup>th</sup> and will focus on Mission and Outreach.

### **6:8 Project:** **Volunteers Needed for Summer Lunch Program** **June 11—August 17**

The 6:8 Project is sponsoring a Summer Lunch Program at the 6:8 House, 1912 Portland in Fort Worth from June 11th—August 17th. This is our fifth year to work with Greenway Place residents on this rewarding project! We provide lunch Mondays, Wednesdays, and Fridays for children (up to 18 years old) in the Greenway neighborhood. Tarrant Area Food Bank provides cold lunches two days a week and The 6:8 Project provides a hot lunch one day a week, as well as the location and supervision. The lunch program insures that neighborhood children, many of whom receive assistance with lunch during the school year, continue to have healthy meals while school is out. In addition to lunch, we offer enrichment activities for the lunch program attendees to develop and build community and to serve other people in their neighborhood.

We need volunteers to help with the program, which is from 11 am—1:30 pm on Mondays, Wednesdays and Fridays; there are several ways you can assist :

- Assist onsite with a children's enrichment activity such as reading books aloud, supervising the computer room, making crafts, working on a service project, and playing indoor and outdoor games.
- Prep an enrichment activity, such as a craft, educational activity, or service project. This can be done on your own time, at home.

A background check is required for onsite volunteers. If you are interested in helping, please sign up on the list outside the sanctuary or Leah Wyckoff ([klh@sbcglobal.net](mailto:klh@sbcglobal.net)) .

You are invited to a tour of The Tarrant County Black Historical and Genealogical Society on Saturday, June 23, 2018 at 10:30 am.

We will meet at the Emmanuel church parking lot at 9:30 am to carpool.

The museum is located at:

1020 E. Humbolt St.

Fort Worth, TX 76104

A sign up sheet will be in the narthex or you can contact:

Jeremy Loy at [jeremydloy@gmail.com](mailto:jeremydloy@gmail.com)
