Letter to the EPC Congregation:

Dear Friends and Members,
The COVID Task Force Committee has been meeting regularly to determine when we can reopen the church building for worship and activities. We are sure that many of you have been following the COVID – 19 developments across Texas and particularly in the DFW area. This is an unprecedented health situation that unfortunately is not subsiding very fast or at all. This is why it is essential that members and friends of Emmanuel continue to take precautions necessary to reduce your potential exposure to COVID – 19 and curb the spread of the virus. We will face this challenge together as a congregation. At this time, we have determined the following:

- We have been closely monitoring the severity of the spread of the Coronavirus and have begun to make plans on what to do.
- We will not be re-opening the church building until the virus has declined *significantly*. We are looking at County Health Dept. reports as well as looking at CDC recommendations.
- We are working on a Phasing-in Plan and criteria for reopening that we will present at a later date. We are looking at other churches in the DFW area to see what plans they are presenting to their congregations.
- We are discussing group activities both inside and out to determine the safest means to meet. There will be a follow-up letter with specific details.
- We recommend that we continue online worship, fellowship, and meetings at this time. Please continue to practice mask wearing, social distancing, and hand sanitizing.

We will continue to monitor the situation and keep you informed. If you have any questions, feel free to contact one of us.

In the name of Jesus Christ,
Laura Mahon, Jayne Johnson, Sheryl Taylor, Mary Ann Reed, Ken Richardson,
Chuck Schneider

PERSONNEL COMMITTEE

The Personnel Committee met with Rev. Chuck to discuss the hours he will begin working in August. Robin is ramping up to work 25 hours a week in August and to start taking on more responsibilities. It was decided that Chuck will begin working 25 hours a week in August and slowly back down on hours again in September and October. By November Robin will be working full-time at 40 hours a week. We appreciate all of the hard work and hours that Rev. Chuck has given us in these trying times with COVID19 and the new online service we enjoy each week. Our hats go off to him and Robin for working through this transition so smoothly. We are blessed to have his leadership!
